

**Altrusa Lunch Meeting**  
**Date July 18, 2011**  
**First Place Food Pantry**

Mary called the noon meeting to order by leading the Altrusa Grace.

There were 16 members and 1 guest present.

Program - Ms. Bobby Kelly gave a tour through the pantry and talked about how the pantry services the Troy community. The pantry was started in 2001. Participants may select food once per month and receive a minimum supply for three days; Government forms are used. This is a highly organized and very worthwhile organization which functions as such through the tremendous support it receives from First United Methodist Church as well as other local individuals.
